

KING FLEX PTY LTD ACHIEVES ISO 9001:2015 CERTIFICATION.

Australian based company **King Flex Pty Ltd** is proud to announce that we have been awarded ISO 9001:2015 certification, an internationally recognized standard that ensures we meet the needs of our customers through an effective quality management system, concurrently establishing it as one of the leading suppliers in the Post Tensioning and Civil field.

This independent assessment was conducted by the leading Certification Body, QAS INTERNATIONAL and demonstrates **King Flex's** commitment to customer service and quality in delivery.

King Flex has now earned the right to display the QAS INTERNATIONAL ISO 9001:2015 certification mark to demonstrate its conformance to the standard.

First introduced in 1987, ISO 9001 requires organisations to demonstrate that they do what they say they do and that they have a quality management system in place to ensure consistency and ongoing improvements, leading to high levels of performance and customer satisfaction.

King Flex has and will always be committed to continuous improvement and in the process will be independently assessed annually to ensure progress is being maintained.

King Flex has shown that it has good reliability and process controls which means lower costs for its customers!
